

## The Event

The Bogle Stroll is the longest running sponsored event in the North West of England. Each year hundreds of students take part in the gruelling challenge of attempting to walk 55 miles in 24 hours, last year the event raised over £35,000 for over 100 charities.

The event consists of two loops of Greater Manchester, starting and finishing at the University of Manchester.

If 55 miles sounds like too much of a challenge then it is possible to take part in the Bogle Ramble and Bogle Wander which are 26 miles and 12 miles respectively.

We also offer a 78 mile cycle which consists of 3 circuits of the northern loop. These events start on the Saturday morning when you will join the walkers who have been walking overnight on the Stroll.

## Sponsorship

Everyone who takes part in Bogle commits to raising a minimum of £60 for a charity of their choice, however due to the nature of the challenge it is possible to raise substantially more. We will, where possible, pass your details on to your nominated charity so that they may offer you support for your fundraising.

## Entrance Fee

The entrance fee is £20 (£10 for students) this covers the cost of event safety infrastructure, all meals and training our volunteers.

## Charity of the Year

Although you may walk for any charity of your choice in 2012 we have nominated The Children's Society to be our official partner.

The Children's Society work nationally to help children and young people who are struggling to cope with the pressures of everyday life.

If you select to walk for The Children's Society you will receive a fundraising kit and tips and hints on preparing for the day.

## Manchester RAG

Manchester RAG is the official fundraising body of the University of Manchester Students Union, each year we organise hundreds of events to raise money for a large number of local, national and international charities. In 2011/12 we aim to raise over half a million pounds for good causes.
