

raise & give

The table below should be taken as a guideline only. All volunteering must be registered via the MLP website so that the hours can be approved. You must also inform RAG that you are planning on using the hours for MP before the event.

As a general rule, volunteering where the main beneficiary is the wider community will count towards the MLP. Volunteering where you are personally benefiting (i.e. raising money in order to take part in an event such as climbing Kilimanjaro) does not count.

Event	Activity	Counts for MLP?
Jailbreak	Participation (including fundraising)	No
	Organising the event	Yes
